GENERAL INFORMATION:

This case is set for hearing on Petition for Appointment of Guardian, estate only, by maternal grandmother, minor 8

Attorney J. David Horspool was appointed Guardian ad Litem on 12/16/04. The court further ordered the guardian ad litem to attempt to prepare an inventory and an accounting of the estate since mother's death (9/02) to determine the necessity of petitioning for appointment of a guardian for minor's estate. Attorney Horspool has not filed these documents. However, it appears that in lieu of filing the inventory and accounting, Attorney Horspool is petitioning in this matter for the appointment of the maternal grandmother as guardian of the estate.

**Continued from 2/28/05 at request of counsel.**

THE FOLLOWING ISSUES AND/OR DEFICIENCIES IN THE PAPERWORK ARE NOTED;

1. Does the Court wish to have Attorney Horspool file an inventory & appraisal and accounting at this time?
2. Mother is deceased (9/02)

4. Need proof of personal service on father

5. Petitioner alleges in lieu of bond, blocked accounts will be established at Community Bank. Need to set review date.
6. No objections filed to date.

VALERIE CARRILLO	(	)...

GENERAL INFORMATION:

This case is set for hearing on Settlement Conference

This matter was originally set for hearing on Petition to Determine Title and to Require Transfer of Property to the Estate. Decedent quitclaimed her residence to her four children, Delmar and Mark Ramirez, Valerie and Belinda Carrillo. Decedent's spouse had a community property interest in the property and was unaware of the transfer. On May 19, 2004, the parties reached a settlement and an order was entered by the court appointing Lawrence Dean successor administrator. The court furthered ordered that the subject property was to be returned to the estate, that foreclosure on the property was restrained. It was subsequently discovered that prior to May 19, 2004, the decedent's children had sold the property to Michael Townsend for a price below fair market value. (The property has been appraised at \$185,000.) In June 2004, Townsend filed a civil action to quiet title. The action was transferred to the probate court. Petitioner alleges that Townsend and his agent, and decedent's children knew at the time of the transaction that decedent's spouse had a 1/2 interest in the property and that title on the property was not clear and, therefore, Townsend is not a bona fide purchaser for value.

THE FOLLOWING ISSUES AND/OR DEFICIENCIES IN THE PAPERS ARE NOTED:

1. Petitioner requests an order dismissing the civil case with prejudice for lack of subject matter jurisdiction.
2. Petitioner seeks an order directing Michael Townsend to transfer the real property back to the estate of decedent.
3. Petitioner seeks an order requiring the funds paid by Townsend be charged against the distributive shares of the four children
4. Petitioner seeks an order directing petitioner to sell the property forthwith
5. Petitioner seeks a further order directing Townsend to clear title on the property forthwith.
6. This case is also set with a hearing to Set Aside Probate Homestead—the parties have agreed to a status conference. The subject of this note should be discussed as well.
7. **Objections have been filed by Michael Townsend, creditor of the decedent**

RECOMMENDATION: None.
